Cosmo Eco Power Holds Operational Safety Blessing Ceremony at New-Mutsu-Ogawara Wind Farm

Cosmo Eco Power Co., Ltd., a subsidiary of Cosmo Energy Holdings Co., Ltd., held a ceremony on July 24, 2025, to pray for safe operations at New-Mutsu-Ogawara Wind Farm, following the commencement of commercial operations on July 1, 2025. Attendees included local officials, as well as representatives from construction companies involved in the project and Amazon, with whom the company has entered into a corporate Power Purchase Agreement (PPA).

Going forward, the Cosmo Energy Group remains committed to achieving net zero carbon emissions by 2050 through various initiatives, such as expanding its wind power generation business.
