Cumulative Number of Cosmo My Car Lease Contracts Surpasses 150,000

The cumulative number of contracts for Cosmo My Car Lease, the car leasing service operated by Cosmo Oil Marketing Co., Ltd. (hereafter, “the Company”), a subsidiary of Cosmo Energy Holdings Co., Ltd., has surpassed 150,000[1]. The Company would like to express its sincere gratitude to all customers who have chosen the service, as well as to its affiliated dealers and other stakeholders who have supported its growth. To show its appreciation for their continued support, the Company also plans to launch a campaign[2].

The Company has offered Cosmo My Car Lease since its full-scale rollout in 2011. Customers can choose their desired vehicle from a wide range of models produced by every Japanese automaker, while the Company provides one-stop support for their automotive needs, from vehicle procurement to compulsory inspections, maintenance, and vehicle replacement. At leasing outlets, primarily Cosmo service stations nationwide, the Company has also proposed leasing plans tailored to each customer's lifestyle, vehicle usage, budget, and other needs.

In recent years, as needs for vehicle ownership and use continue to diversify, the Company has built on the features its car leasing service, which enables customers to pay a fixed monthly amount that covers vehicle-related costs, by providing support at local dealers even after a contract is signed and enhancing its services to accommodate changes in customers’ lifestyles. Furthermore, the Company offers the Cosmo Early Termination Service, which allows customers to terminate their contracts early without incurring a cancellation fee, provided they meet the specified conditions. These initiatives help customers use the service with peace of mind.

On the digital front, customers can obtain quotes and submit lease applications via the official website. They can also save quotes prepared at leasing outlets or on the website to the COSMO official app, allowing them to review and compare options and adjust the terms from home. The Company is also enhancing customer convenience by offering options such as credit card payments for lease fees.

Going forward, the Company remains committed to proposing driving solutions tailored to each customer’s lifestyle and needs by further enhancing Cosmo My Car Lease products and services and improving support at leasing outlets.
