■ Initiative Overview

Implementation period	November 9, 2026, to January 31, 2027 (per current plan)
Deployment locations[1]	・Chiba Prefectural Fire Academy (783-1 Kikuma, Ichihara City, Chiba Prefecture) ・Within Sakura City (per current plan)
Number of vehicles available[2]	・Chiba Prefectural Fire Academy: 10 vehicles ・Locations within Sakura City: up to 11 vehicles
Rental conditions[3]	Anyone may use the vehicles, provided that they register for the “Yasashii Car Share” service. Please note that a conventional driver's license is required to unlock and lock the vehicle (the service cannot be used with only a My Number Card driver's license).
Rental fees	・Time-based fee: Free (for up to 72 hours per rental) ・Distance-based fee: Free if the rental duration does not exceed six hours. If the rental duration exceeds six hours, a distance-based fee will be charged according to the distance traveled.

	・Protection service: Optional enrollment, ¥550 (tax included)
Extension fee	・With prior application: The standard time-based fee[4] will apply to the additional hours. If the rental duration exceeds six hours, a distance-based fee will also be charged. ・Without prior application: Twice the standard time-based fee will apply to the additional hours. If the rental duration exceeds six hours, a distance-based fee will also be charged.
How to use	Prepare your driver's license and a credit card in your own name, register as a member through the service website, and reserve an available vehicle via your computer or smartphone. Use your driver's license to unlock and lock the vehicle.

Through this initiative, Cosmo Oil Marketing and Cosmo Oil Sales will support transportation needs in affected areas by providing vehicles through their “Yasashii Car Share” service. Cosmo Oil Marketing will provide the service operation platform, while Cosmo Oil Sales will deploy vehicles from its rental fleet.

In addition to ensuring a stable supply of energy, the Cosmo Energy Group is undertaking initiatives to support livelihoods and mobility in local communities through its mobility services such as “Yasashii Car Share” and “Cosmo My Car Lease.” Going forward, the Group remains committed to leveraging its nationwide service station network to contribute to local communities and help realize a sustainable mobility society.

1. The service will be launched sequentially at each location as preparations are completed. Location details, including service launch dates, will be announced on the service website (available in Japanese only). Please check this information via the website's Station Search (ステーション検索) page. (Car-Sharing Service: Yasashii Car Share)
2. Depending on circumstances, some of the vehicles scheduled to be deployed to locations in Sakura City may instead be deployed to the Chiba Prefectural Fire Academy.
3. Reservations extending beyond business hours may be made; however, vehicle pickup and return are available only during business hours.
4. Details of time-based fees are provided on the service website (available in Japanese only). (Car-Sharing Service: Yasashii Car Share)
