COSMO Oil Eco Card Fund

Qin Ling Mountains Forests and Ecosystem **Recovery Project**

We are just a normal member of the big family of nature.

College of Life Sciences, Northwest University

South Pacific Countries **Support Project**

We are growing mangrove forests in Tuvalu for the future of the Earth. We are truly grateful for your loyal, long-term support.

Prime Minister of Tuvalu Enele Sopoaga

Tropical Rainforest Conservation Project

Students at the vocational training school have been able to learn a variety of subjects. Thank you very much

Thank You Newsletter 2016

Activity Report

14th fiscal year: April 1, 2015 - March 31, 2016 We would like to express our gratitude to all Eco Cardholders for your support last year. Your donations assist the activities of project partners both in Japan and overseas and

we have received numerous messages of appreciation. Each of your individual ¥500 contributions combine to make a considerable sum. We look forward to your continued support of the Eco Card Fund.

Red Pine Forests and Acorn Forests - Satoyama Regeneration

With your help, the forests are gradually regrowing.

Mr. Hidenobu Takegaki

Laboratory of Earth Conscious Life (NPO

Seed Planting School

The seeds of hope are thriving on gratitude and trust. They are helping to reduce CO₂.

Mr. Hideo Yokoich

Furano Seed Planting School (LLP)

Our heartfelt thanks to all the Eco Card cardholders who have given us this valuable opportunity.

Living with Flying Squirrels Satoyama Regeneration

We are always so grateful! We will continue to protect the forest home of

Tsuru Environment Forum (NPO)

Noguchi Ken Growing Forests in the Himalayas

Thanks to all your support we are able to revive the Himalayan forests.

PEAK AID (NPO)

South Pacific Countries Support Project

The mangroves that we planted with your support

are growing well.

Structure of the Eco Card Fund

Driving a car is convenient but it produces CO2 But then, I can't just stop driving either

you can participate in eco-friendly projects that reduce CO₂. Cosmo Oil will undertake projects like afforestation on your behalf.

Wow! So that leads to reducing the CO2 that I produce!

And you can also save on your gasoline expenses!

I'll become an Eco Card member and live an eco-friendly life!

Note: The Cosmo Oil Eco Card Fund assists NGO and NPO engaged in projects such as afforestation.
