

Filling up Your Hearts, Too

We Aspire to Create Future Value for All Stakeholders and to Be the Trusted Corporation of Choice.

- We promote business ethics in order to become a corporation trusted by society.
- We endeavor to create future value in our relationships with stakeholders.
- We actively disclose information and implement mutual communications.

Relationships with Stakeholders

In order to maintain trust of the stakeholders who support the Cosmo Oil Group and to remain a corporation they want to continue dealing with, we endeavor to provide value for them through our business activities as well as actively disclosing information and implementing mutual communications.

International Communities

In the way that international communities including developing countries keep developing sustainability, the Cosmo Oil Group is promoting various international cooperation such as climate change prevention, not only in our facilities but also outside.

Oil Producing Countries

Our ties with our long standing business partners are not limited to crude oil trading.

We have been working on conservation of the environment and promotion of safety management technologies in these oil producing countries using our human and technological resources. We also develop human resource and cultural exchanges.

Customers

In order to build the Cosmo network loved by all customers, we are listening to our customers and working to provide valuable services including improved levels of service, establishment of safety, etc.

Communities

As a constituent member of communities, for example, our refineries develop community disaster prevention systems in cooperation with authorities and other corporations in the vicinity of petrochemical complexes.

We also promote and support community activities such as cleaning and local events.

Shareholders, Investors

We actively engage in IR activities including publication of our quarterly newsletter (C's MAIL) to shareholders, annual report, facts book, etc. and information disclosure on our website.

Company Staffs

We regard respect for human rights as the foundation of our corporate activities and endeavor to provide a more attractive work environment in which our company staffs can not only work safely and comfortably but also realize their potential.
