Many stakeholders support the Cosmo Oil Group.
We describe our FY2005 activities according to different stakeholders.

Relationship with our Stakeholders

Customers

We are listening to our customers and working to provide valuable services including improved levels of service, establishment of safety, etc.

International Communities

In the way that international communities including developing countries keep developing sustainability, the Cosmo Oil Group is promoting joins various international cooperation such as climate change prevention, not only in our facilities but also outside.

Oil Producing Countries

Our ties with our long-standing business partners are not limited to crude oil trading. We have been working on conservation of the environment and promotion of safety management technologies in these oil producing countries using our human and technological resources. We also develop human resource and cultural exchanges.

Company Staffs

We regard respect for human rights as the foundation of our corporate activities, and endeavor to provide a more attractive work environment in which our company staffs can not only work safely and comfortably but also realize their potential.

Communities

As a constituent member of communities, we also promote and support community activities such as cleaning and local events.

Shareholders, Investors

We issue our quarterly newsletter "C's Mail" to shareholders, annual reports, and fact books, etc. and timely information disclosure on our website.
